General	I
List	II

I—GENERAL. 1. In accordance with the provisions of AR 672-5-1, paragraph 9-36, the units listed in section II below were designated by the Senior Army Commander in the theater of operations as having participated in a parachute, amphibious, or helicopter assault landing.

2. When entering individual credit on the DA Form 2-1 (Personnel Qualification Record), this general order may be cited as authority for such entries for soldiers who were present for duty as a member of or attached to a unit listed herein and actually participated in a parachute, amphibious, or helicopter assault at the place and time during the period indicated. A soldier must actually exit the aircraft or landing craft to receive assault landing credit.

Under the provisions of AR 672-5-1, paragraph 9-36, the designation of a combat assault landing is determined and approved by the Senior Army Commander in the theater of operations, and eligibility of individuals to wear the bronze arrowhead on the Armed Forces Expeditionary Medal is established by this approval.
